

WILL YOU JOIN HANDS WITH US ?

Sahaya International, International House Davis and its partner organizations invite you to:

Sahaya Walks

Sunday, October 13, 2019 – 1 to 4 p.m.
International House Davis, California

Come join us at this 13th annual event to raise support and awareness for orphans and vulnerable children infected by HIV in India. Participants of all ages - young and old- are welcome! We start with lunch (including food provided by Preethi Indian Cuisine), enjoy music, dance, presentations, fun activities, a 10-minute walk, and we share our hopes for an AIDS-free future.

Come celebrate that YES, we can make a difference!

All proceeds will provide direct support for HIV-infected children and orphans in Sahaya's programs in India.

This year, we also celebrate Sahaya International's **20th anniversary**. So this year's Sahaya Walks will be an extra celebration including highlights of our accomplishments and future plans..

Even if you cannot attend, you can help us!
